REVIEWS

The workplan has been reviewed by the Remedial Program and the Programs Services Branch and a committee that has determined the level of funding.

FUNDING

Funding in the amount of \$371,943 can now be awarded to the State to ensure implementation of the PASI workplan activities. The budget/project period is October 1, 2001 through September 30, 2002.

STATUTORY AUTHORITY

This cooperative agreement is awarded under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA).

ASSISTANCE VS ACQUISITION

This award is an assistance agreement not a contract in that the principal purpose of this agreement is to transfer funds to the State for activities that are not principally for the direct benefit or use of EPA and funding for this award is authorized by the above statute.

EQUIPMENT

No equipment is proposed to be acquired with the funding under this workplan.

PROGRAM CONDITIONS

All standard special conditions of the original agreement will remain in effect.

ASSURANCES

The State is in compliance with their Assurances submitted for this FY.
